

3D Model License Agreement

Licensor: Matrix3D(.shop)

Licensee: [Name of the buyer]

Effective Date: [Date of purchase/license]

1. Rights and Permissions

The licensor grants the licensee a non-exclusive, non-transferable, worldwide license to use the 3D model ([title or description of the model]) under the following conditions:

- **3D Printing:** The model may be 3D printed for personal use. It is **not permitted** to sell, rent, or otherwise commercially distribute the 3D-printed version.
- **Commercial Use:** The model may be used in digital projects (such as games, animations, and visualizations) for commercial purposes, provided the original, editable 3D file is not shared.
- **Personal Use:** The model may be used for private projects and non-commercial purposes.
- **Use in Digital Projects:** The model may be integrated into digital projects such as games, animations, and visualizations, provided it is not shared in its original, editable 3D form.

2. Restrictions

The licensee is **not** allowed to:

- Resell, redistribute, or share the model in digital form (including modified versions), whether for free or for payment.
- Upload the model to online platforms, marketplaces, databases, or public archives.
- Offer the model as part of a subscription service or bundle.
- Modify the model with the intent to circumvent these licensing terms.
- Use the model for training artificial intelligence (AI), machine learning, or any form of automated data processing.

3. Credit to the Creator

While not mandatory, it is appreciated if the name **Matrix3D(.shop)** is credited when the model is used in digital projects such as games, animations, or other public presentations.

4. Intellectual Property

All intellectual property rights of the 3D model remain with the licensor at all times. The purchase of this license does not transfer ownership.

5. Limitation of Liability

The licensor is not liable for any direct, indirect, incidental, or consequential damages arising from the use or inability to use the 3D model.

6. Irrevocability of the License

Due to the digital nature of the product and the ability for immediate download, this license cannot be revoked after the purchase is completed. The terms remain fully enforceable.

7. Violation of License Terms

In the event of a breach of these terms, the licensor reserves the right to take legal action and seek compensation.

8. Governing Law

This license agreement is governed by the laws of [your country]. Any disputes arising from this agreement shall be submitted to the competent court in [your jurisdiction].

By downloading this 3D model, the licensee agrees to the above terms.
